Monedero fue establecido en 1998 con el propósito de servir al sector automotriz a nivel nacional e internacional.

Basándonos en la experiencia adquirida y la excelente calidad de nuestros productos, Monedero se ha convertido en uno de los líderes en la producción y distribución de piezas para motor de vehículo industrial, bus y maquinaria.

Como ha venido sucediendo desde nuestros inicios, alentados por el exitoso crecimiento y continuo apoyo de nuestros clientes, invertimos cada año en infraestructuras, tecnología, maquinaria de última generación, bancos de pruebas, contando en la actualidad con unas instalaciones de 20.000m² totalmente equipadas y con un equipo de profesionales altamente cualificados.

Nuestra máxima prioridad es la satisfacción de nuestros clientes, ofreciendo una amplia gama de productos de la más alta calidad, un servicio profesional y permanente.

Monedero presenta su catálogo para motores diésel con un extenso programa de recambios nuevos originales y alternativos en calidad primer equipo: Kit de pistones, casquillos, bloques, cigüeñales de forja, árboles de levas a partir de barra de acero, bielas, enfriadores, bombas de aceite, bombas de agua, bombas de combustible, cárter de aceite,....etc.

Así mismo incluimos una amplia gama de equipos ensamblados, motor corto y semi-completo, para aquellos casos donde no es rentable la reparación o cuando el bloque de motor está dañado. Cada uno de estos equipos se ensambla en nuestra planta siguiendo procesos sistematizados, con los más altos estándares de calidad y conforme a las instrucciones técnicas de los fabricantes.

Monedero was established in 1998 with the purpose of serving the national and international automotive industry.

Based on the experience gained and proven high quality of our products achieved since then, Monedero has become a leader in the production and distribution of spare parts for engines for industrial vehicle, bus and machinery.

As has been since our inception, encouraged by the successful growth and continued customer support, we invest each year in infrastructure, technology, machinery of last generation, test benches, and at present with facilities of 20,000m² fully equipped and a team of highly qualified professionals.

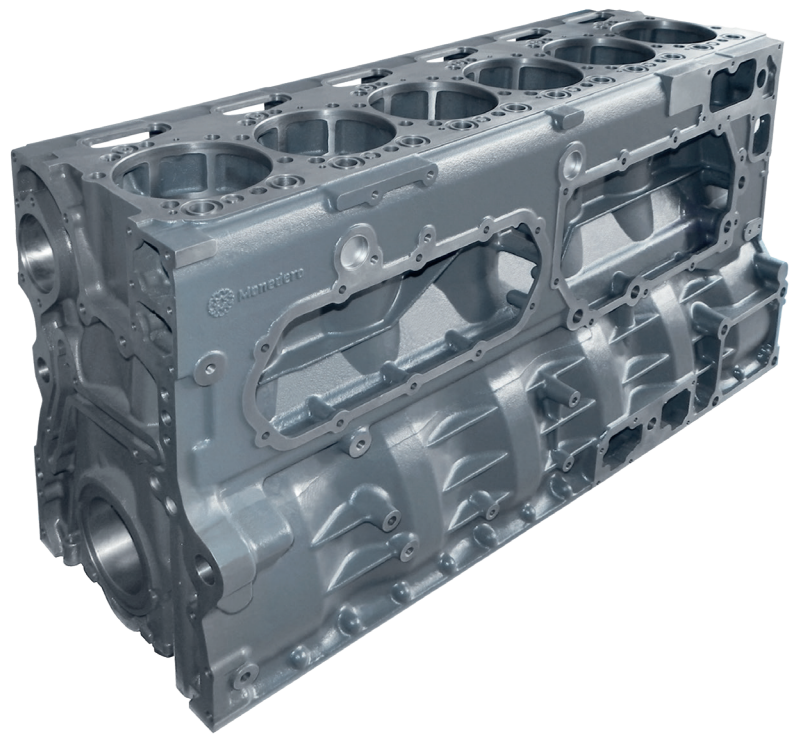

Our highest priority is to satisfy our customers by offering a wide range of products of the highest quality, professional and permanent service. Monedero presents its catalog for diesel engines with an extensive program of new spare parts, Genuine and adaptable with OEM quality: Piston Kit, bushings, blocks, forged crankshafts, steel rod camshafts, con rods, oil cooler, oil pumps, water pumps, fuel pumps, oil pan, ...etc. Also we include a wide range of assembled Short-blocks and Long-block, for those cases where it is uneconomical to repair or when the engine block is damaged. Each of these engines is assembled at our plant following systematic processes with the highest quality standards and according to the technical instructions of the manufacturers.
