Monedero

Comprometidos con la calidad

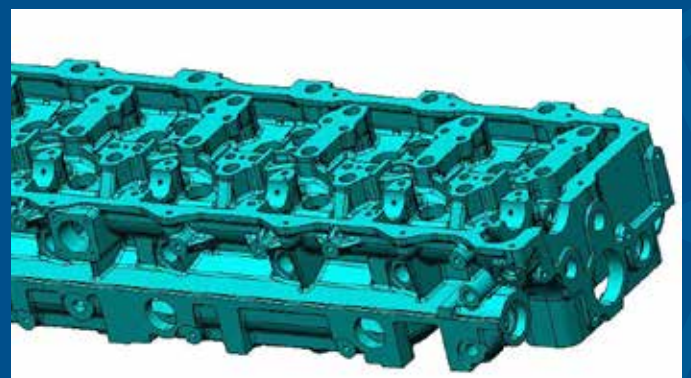

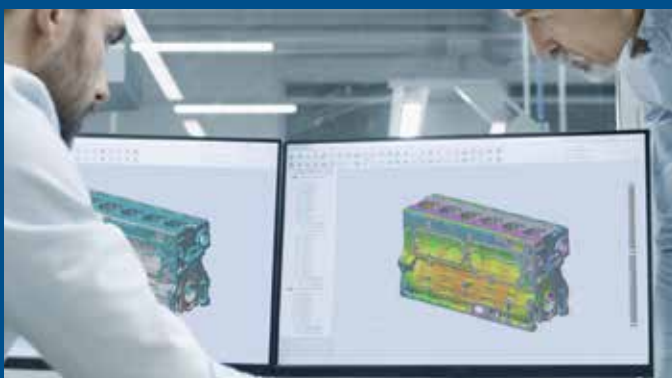

Monedero nace en España en 1998, con el propósito de servir al sector automotriz, proporcionando al mercado servicios y productos con un alto nivel de calidad.

La evolución del sector automotriz en los últimos años ha favorecido un elevado volumen de actividad tanto a nivel nacional como internacional, que en Monedero hemos sabido aprovechar. En todos los procesos y productos, trabajamos bajo los estándares de calidad más estrictos, para ofrecer a nuestros clientes la excelencia que nos representa.

Tenemos la certeza de que el camino a la innovación y el desarrollo es lo que nos hace estar cada vez más cerca de nuestros clientes. Nos esforzamos día a día para que nuestros productos, servicios y soluciones estén a la altura de las exigencias del mercado. No nos conformamos con ser buenos, trabajamos de forma continua para que Monedero sea símbolo de calidad, tecnología y excelencia.

Hoy en día, Monedero ocupa un lugar importante en el mundo de la electromecánica. Desarrollamos, fabricamos y distribuimos recambios para motor, caja de cambios, diferencial, servodirección suspensión, frenos, sistema eléctrico, refrigeración y lubricación.

Estamos presentes en más de 70 países y contamos con unas instalaciones de más de 35.000 m², lo que nos permite seguir creciendo y mantenernos como referente en el sector, como lo hemos venido haciendo en los últimos años.

Commitment to quality

Monedero was born in Spain in 1998, with the purpose of serving the automotive sector, providing the market with services with a high level of quality.

The evolution of the automotive sector in recent years has favored a high volume of activity both nationally and internationally, which at Monedero we have taken advantage of. In all processes and products, we work under the strictest quality standards, to offer our clients the excellence that represents us.

We are certain that the path to innovation and development is what brings us ever closer to our customers. We strive every day so that our products, services and solutions are up to the demands of the market. We are not satisfied with being Good, we work continuously so that Monedero is a symbol of quality, technology and excellence.

Today, Monedero occupies an important place in the world of electromechanics. Develop, manufacture and distribute spare parts for the engine, gearbox, differential, power steering, suspension, brakes, electrical system, cooling and lubrication.

We are present in more than 70 countries and we have facilities of more than 35,000 m², which allows us to continue growing and remain a benchmark in the sector, as we have been doing in recent years.
